

Nevada League of Cities and Municipalities
Resolution 16 - 03

**A RESOLUTION IN SUPPORT OF NEVADA WILDFIRE
AWARENESS MONTH - MAY 2016**

Whereas, Nevada's cities and municipalities have a significant risk from wildfire; and

Whereas, wildfire significantly impacts Nevada's environmental, economic and social well-being; and

Whereas, residents of Nevada's cities and municipalities need to accept responsibility for living in high fire-hazard areas; and

Whereas, residents must be encouraged to move from the expectation of being protected from wildfire to the understanding that they must be prepared to survive wildfire; and

Whereas, residents need to work together to prepare their homes and community to survive wildfire and commit to becoming a Fire Adapted Community; and

Whereas, when whole communities implement appropriate pre-fire activities they improve the survivability of their individual homes and community during wildfire;

Therefore be it Resolved that the Nevada League of Cities and Municipalities supports the month of May, 2016 as Nevada Wildfire Awareness Month and that this year's theme:

"Create Unity - Fire-Adapt Your Community!"

is a call to action for residents to take action to educate themselves, reduce the wildfire threat to their homes and help their community move toward becoming a Fire Adapted Community.

Approved and Adopted this 3rd Day of May 2016 by the Board of Directors of the Nevada League of Cities and Municipalities.
